

**IN THE CIRCUIT COURT, SIXTH JUDICIAL CIRCUIT  
IN AND FOR PASCO AND PINELLAS COUNTIES, FLORIDA**

ADMINISTRATIVE ORDER 2009-006 PA/PI-CIR

**IN RE: COURT COSTS, ASSESSMENTS, SURCHARGES, AND FINES**

In order to provide for the efficient and proper administration of justice and to ensure that statutorily mandated costs, assessments, surcharges, and fines are assessed and collected, and

In order to provide direction to the Clerks of the Circuit Court, and

In order to provide information to the Chief Judge regarding the collection of costs, assessments, surcharges, and fines, and

Pursuant to the authority of the Chief Judge in Rule of Judicial Administration 2.215,

**IT IS ORDERED:**

1. The Clerks of the Circuit Court are directed to include all statutorily mandated costs, assessments, and surcharges (hereinafter referred to as costs) in all written judgments and sentences submitted to a judge, regardless of whether those mandatory costs were orally announced by the presiding judge. Statutorily mandated costs must be assessed whether or not they are orally announced. See *Reyes v. State*, 655 So. 2d 111, 116 (Fla. 2d DCA 1995).

2. The Clerks are directed to include all statutorily mandated fines in the written judgments and sentences submitted to a judge, regardless of whether the mandatory fine was orally announced by the presiding judge at sentencing. If there is a range in the amount of a mandatory fine to be imposed, unless the trial judge imposes a higher fine or, if statutorily authorized, reduces or suspends a defendant's fine on the state attorney's motion, the Clerk is directed to include the statutory minimum mandatory amount of the fine in the written judgments and sentences submitted to a judge. See *Angel v. State*, 769 So. 2d 494 (Fla. 4<sup>th</sup> DCA 2000).

3. Judges of the Sixth Judicial Circuit are encouraged to assess at least the recommended standard assessment, including the discretionary fine as reflected in Attachments A-E. If a defendant does not waive itemization of any discretionary cost or fine, the Court must orally announce those discretionary amounts. See *Reyes v. State*, 655 So. 2d 111, 116 (Fla. 2d DCA 1995).

4. At the time of imposition of the sentence for costs and fines, if the defendant has funds in the commissary account at the jail, the Court shall give the defendant an opportunity to be heard as to why those funds should not be taken in satisfaction or partial satisfaction of the costs and fines imposed by the Court. Unless the judge determines that good cause exists not to apply those funds to the order for costs and fines, the Clerk shall prepare an order directing the Sheriff to release those funds to the Clerk to satisfy costs and fines assessed by the Court.

5. Deputy clerks are to make available to the presiding judge, the recommended standard assessment as reflected in Attachments A-E. Deputy clerks are also to inform the Court

of the amount of funds held by the defendant in a commissary account. The Sheriff of each county shall provide this information to the respective Clerks.

6. If a judge imposes the standard assessment and does not direct to the contrary, the Clerk is to allocate the standard assessment as reflected in Attachments A-E. The amount assessed shall first be allocated to all mandatory costs and fines applicable in a case. Any amount remaining after assessing mandatory costs and fines shall be allocated as a discretionary fine pursuant to section 775.083(1), Florida Statutes.

7. Unless a judge specifically states otherwise, the Clerks shall, prepare an order making the costs and fines imposed in the judgment a lien in favor of the Clerk on behalf of the State of Florida. The judgment lien is a lien against all property owned by the defendant or property acquired in the future and will accrue interest at the statutory rate. The imposition of a lien shall not replace other collection efforts. In addition, the Clerks may enter into a payment plan with the defendant and are directed to make every effort to collect all costs, assessments, surcharges, and fines assessed by the Court in accordance with section 28.246, Florida Statutes.

8. If the Clerks identify systemic obstacles to collection of court costs or fines, the Clerks shall notify the Chief Judge.

9. Judges of the Sixth Judicial Circuit assigned to the criminal division are encouraged to develop methods to assist the Clerks in the collection of costs, assessments, surcharges, and fines assessed by the Court.

10. The Clerks shall provide the following reports to the Chief Judge, Trial Courts Administrator, State Attorney, Public Defender, and Regional Counsel on a monthly basis until further order of the Court:

a. A report of new monies collected by the Clerk as a result of Chapter 2008-111, Laws of Florida (SB 1790), identifying the amounts collected for each statutory cost or fine and the distribution of those funds.

b. A report of new monies collected for deposit into the State Courts System Trust Fund, created by Chapter 2009-7, Laws of Florida (SB 14A) identifying the amounts collected for each statutory cost or fine.

c. A report on all Court related collections that are included in the Distribution Schedule of Court Related Filing Fees, Service Charges, Costs, and Fines prepared by the Florida Association of Court Clerks, Inc., identifying the authority for the collection of those funds, the amounts collected per month, and the distribution of the amounts collected. The report shall be in substantially the same format as Attachment F.
